noiselessly, and emits no pollutants into canal. It is environmentally friendly and does not cause pollutions. Moreover, it runs without fuel combustion which is the cause of global warming.

The electric boat service operates from Mondays to Fridays, from 5.30 a.m. to 8.30 p.m. On Saturdays, Sundays and public holidays, the operation hours is from 6 a.m. to 7 p.m. Free services to the public for 6 months from March-August 2022. After that, the fare is collected at 15 baht throughout the line.

The Bangkok Metropolitan Administration has implemented many development projects for canals and communities along canals in Bangkok Metropolitan area. These projects focus on the development of people's quality of life, increasing of drainage efficiency, and improvement of landscape along canals to be clean and beautiful, including public passenger boat service management using electric boats in Saen Saep Canal. This is part of the promotion of better quality of life for people living in Bangkok and conservation of environment to be free from pollution.
