**125 Sathorn by PMT Property Cements its Status as the Outstanding  
Real Estate Developer in Asia**

with “Best Condo Interior Design (Asia) and Best Condo Landscape Architectural Design (Asia) from the 17<sup>th</sup> PropertyGuru Asia Property Grand Final

Reinforcing the potential and expertise in developing the luxury condominium 125 Sathorn projects, **led by Khun Ausana Mahagitsiri, Chief Executive Officer of PMT Property Co., Ltd.** recently received the awards for **Best Condo Interior Design (Asia) and Best Condo Landscape Architectural Design (Asia) from the 17<sup>th</sup> PropertyGuru Asia Property Grand Final.**

The Awards cements PMT Property's status as one of the most outstanding real estate developer in Asia and shows the forward-thinking vision and the highest quality development of the “125 SATHORN” project in regional level by highlighting the property's strengths in innovative design, functionality and sustainable development.

125 Sathorn is the 8-billion-baht luxury condominium development located in the heart of South Sathorn road developed by PMT Property and two property development and construction conglomerates from Japan; Kanden Realty & Development Company Limited (KRD), and Toray Construction Company Limited (TCC). Following 125 Sathorn's Official Launch in June 2022, the project continues to appeal the High-Net-worth Individuals (HNWI) and

achieved the sales target given to its prime location and thoughtfully curated facilities and amenities. In addition, 125 Sathorn also received 2-awards in the Winning category under **Best Condo Interior Design** and **Best Luxury Condo Landscape Architectural Design** from **PropertyGuru Thailand Property Awards 2022**,
