## **PMT Property and BNH to Provide Healthcare Services for 125 Sathorn Residents**

**16 February 2023, Bangkok :** Mr. Kensuku Tanabe (2<sup>nd</sup> from right), Director of PMT Property Co., Ltd, and Dr. Yinglak Panjawanuwat (2<sup>nd</sup> from left) Assistant Hospital Director of BNH Hospital has recently signed a Memorandum of Understanding (MoU) on collaborative healthcare service for 125 Sathorn residents and their family members. Witnesses by Ms. Khunpak Issara (far right) PMTP Marketing Director and Ms. Duangduan Bunyasartphan (far left ), BNH Nursing Director.

This collaboration consists of providing teleconsultation service to 125 Sathorn residents and their family members until 31 December 2026 and special privilege on the ambulance call service fee until 31 December 2029. In addition, BNH will help PMT Property set up the health emergency plan for serving residents as well as conduct a session of intermediate first aid and life support training for 125 Sathorn concierge team.

125 Sathorn is on-construction-progress, the 8-billion-baht luxury condominium development located in the heart of South Sathorn road developed by PMT Property and two property development and construction conglomerates from Japan; Kanden Realty & Development Company Limited (KRD), and Toray Construction Company Limited (TCC). Following 125 Sathorn's Official Launch in June 2022, the project continues to appeal the High-Net-worth Individuals (HNWI) for Thai and foreigner customers and achieved the sales target given to its prime location and thoughtfully curated facilities and amenities.
