**STROM Officially Open its Electric Motorcycle Factory
Increase Production Capacity to Meet the Demand of Customers in Thailand**

Bangkok, 7 August 2023: STROM (Thailand) Co., Ltd., a leading developer and distributor of all types of electric motorcycles and vehicles in Thailand, has officially opened its new STROM electric motorcycle factory. Mr. Prayudh Mahagitsiri (fifth from right), Honorary Chairman and Mrs. Suvimol Mahagitsiri (fourth from right), Honorary Vice Chairman of Thoresen Thai Agencies Public Company Limited presided over the opening ceremony, along with Lt. Col. M.R. Biranubongse Bhanubandh, (fifth from left), Managing Director, and Ms. Bussaraporn Pornpaisansak (Fourth from left) Chief Operating Officer of STROM (Thailand) Co., Ltd. Congratulated by honored guests from Mermaid Maritime Public Company Limited, Thai Film Industry Public Company Limited and Winnonie Company Limited.

Lt. Col. M.R. Biranubongse Bhanubandh revealed that “STROM is determined to become a leader in electric motorcycles in Thailand and in Asia. The objective of opening of the new STROM electric motorcycle factory is to increase the production capacity of electric

motorcycles that fully meet the needs of rider customers in terms of performance, speed, energy saving, value for money and being environmentally friendly. The sales target is set to grow this year at 30 percent.”

About STROM

Strom Electric Vehicles is Thailand's foremost leader in the technology and production of electric vehicles (EVs). The Oska Battery Group, a subsidiary company of STROM, has been developing and producing batteries for consumer IT, electronics, batteries for golf carts and for industrial applications as well as military applications for almost 27 years. For more information, contact Strom (Thailand) Co., Ltd. at www.stromthailand.com or www.facebook.com/STROM.EV or www.oskabatt.com
