Press Release

TTA CORPORATE | Shipping | Offshore Service | Agrochemical | Food & Beverage | Investment

The objective of this collaboration is to strengthen cooperation between the education sector and industry through the transfer of knowledge and experience in electric vehicle (EV) technology. This includes expertise from P80 Go Company Limited, the importer and distributor of King Long electric pickup trucks in Thailand, which has extensive experience in applying EV solutions in commercial transportation and public transport systems. The partnership aims to enhance human capital capabilities and develop a strong collaborative network between educational institutions and the business sector.

In addition, several private-sector partners have joined the collaboration, including Upstat International Co., Ltd.; Pan Asia Footwear Public Company Limited; OSW Corporation Co., Ltd.; and BGO Trading Limited Partnership.
