**TTA Ranked Among Thailand's Top 300 Listed Companies of 2026,
Reaffirming the Strength of Its Business Portfolio and Long-Term Growth Potential**

Bangkok, 15 May 2026 – Thoresen Thai Agencies Public Company Limited or TTA has been ranked among the “300 Best Public Companies of 2026” by Money and Banking Magazine, one of Thailand’s leading economic, financial, and investment publications. The ranking was published in the magazine’s May 2026 issue (No. 529).

This recognition reflects TTA’s strength as a strategic investment company with a diversified business portfolio spanning Shipping, Offshore Services, Agrochemical, Food and Beverage, and Other Investments. This diversification helps balance the investment portfolio, reduce volatility, and create growth opportunities across multiple industries.

Money & Banking Magazine ranked the 300 Best Public Companies of 2026 based on a fundamental analysis of listed companies on the Stock Exchange of Thailand (SET) with the top 300 market capitalizations, as well as 151 profitable companies listed on the Market for Alternative Investment (mai). The ranking was based on financial statements as of the end of 2025, as reported to SET. The ranking applies internationally recognized criteria to evaluate overall corporate performance across four key areas:

1. **Company Size** - assessed based on Market Capitalization, Total Assets, and Shareholders’ Equity
2. **Profitability** - assessed based on Total Revenue, Net Profit, Earnings per Share (EPS), and Net Profit Margin
3. **Return on Investment** - assessed based on Return on Assets (ROA), Return on Equity (ROE), and Dividend Yield
4. **Liquidity** - assessed based on Free Float proportion

This marks another achievement that reinforces TTA’s business approach, which emphasizes efficiency, resilience, and sustainable growth, while continuously delivering value to shareholders, investors, customers, and all stakeholders.
